### About us:

The River City Jaguars Homeschool Soccer Program was established in 2004 to provide home educated student athletes from the Southern Indiana and Greater Louisville area the opportunity to participate in a competitive soccer program. The River City Jaguars teams consist of High School Varsity, Junior Varsity and Middle School teams.

### The 4 Goals we have for the team are:

1. We will honor God in all that we do: respect the refs, coaches, other players, and parents. We lift each other up in all we do and say.
2. Players will improve their soccer skills. This means players need to come to practice and games be prepared.
3. Players need to give 100% when on the pitch. You do not have to be the best player on team but you have to do your best for yourself and the team.
4. Have fun.

During the 2020 season, the River City Jaguars performed well throughout the season and especially at the State and National Tournaments. The U12 and Middle School teams placed 2<sup>nd</sup> at the State Tournament! At the National Tournament, the Boys Varsity Team competed in the 1<sup>st</sup> division where they successfully won first place in the bronze group.

During the 2021 soccer season we are excited to announce that the River City Jaguars are accepting sponsors. The following tax deductible sponsorship opportunities are now available.
